

DESCRIPTION / DESCRIZIONE

en The Aera seating collection stands out for its careful balance between minimalist form and meticulous attention to detail: a line that stretches, a structure that tapers, an object that seems to transcend its material form whilst retaining its solidity and functionality Aera is designed as a comprehensive range, capable of adapting to a wide variety of settings, from restaurants and communal spaces to workplaces and the more intimate settings of the home.

it La collezione di sedute Aera si distingue per un equilibrio calibrato tra essenzialità formale e ricerca del dettaglio: una linea che si tende, una struttura che si assottiglia, un oggetto che sembra sottrarsi alla materia pur mantenendo solidità e funzione. Una presenza visiva leggera, quasi sospesa, capace di dialogare con l'architettura senza sovrapporsi. Aera si sviluppa come una famiglia completa, capace di adattarsi a molteplici scenari d'uso, dalla ristorazione agli spazi collettivi, dagli ambienti di lavoro fino alle atmosfere più intime dell'abitare.

en Our types of metals include: chromed metals and painted metals. Do not use acid or alkaline based cleaning products. Do not use detergents, steel wool, dishwashing detergents or the like. Sharp or pointed objects may damage the surface. Any hot or wet object may cause surface damage. Clean the surface regularly with a soft cloth to remove dust. To remove light dirt, use a soft cloth and a neutral household cleaner.

it Le nostre tipologie di metallo comprendono: metalli cromati e metalli verniciati. Non utilizzare prodotti per la pulizia a base acida o alcalina. Non utilizzare detergenti, lana di acciaio, detersivi per stoviglie o simili. Oggetti appuntiti o taglienti possono danneggiare la superficie. Qualsiasi oggetto caldo o bagnato potrebbe provocare danni alla superficie. Pulire la superficie regolarmente con un panno soffice per rimuovere la polvere. Per rimuovere lo sporco leggero utilizzare un panno soffice e un prodotto per le pulizie di casa neutro.
