ROMEO & JULIET PROSECCO

Wines dedicated to Verona and to the most romantic love story ever, Romeo & Juliet. A unique label, shot by the photographer Giò Martorana, shows the messages left by lovers in the yard of Juliet's house.

*This lively Prosecco is made exclusively from the Glera grape, native to the Treviso region of Northern Italy, which is recognized for the soil and climate conditions that help create the finest Prosecco wines.
Enjoy Prosecco Romeo & Juliet before a meal, with a meal, or in celebration.*
